# WHAT ARE MY OPTIONS?

ART  
Oh!

Dear Christian Homeschool Parent and Student,

If education was school lunch, then MCL's homeschool supplement would be the a la carte line. This program allows our homeschool students in Grades 7-12 to enroll in up to two classes per semester. Our course offerings include classes in every discipline and level of rigor. Contact us today to find out if we'd be right for your family!

Sincerely,  
  
Brian Sullivan,  
Chief Administrator
